Chapter 2

Introduction

Welcome to my minibookdown.

I wrote this book as part of my homework for my Git and GitHub class through Library Juice Academy.

This is the first book I've created in Git.

I hope you enjoy it!

Chapter 3

Bookstuff

This is the first chapter of content in the book. I don't know what the book is about yet so I'm just calling it bookstuff. Once I've seen it published, maybe I'll want to enter different content. Thank you for reading this.
